

Dear sir/madam,

I'm writing this to confirm that **Miroslav Pakanec** has been working with us as an intern in the period from July 1st till October 31st 2016. Miroslav has actively participated in the development process of the Healthcare project. In particular he has been working on automation of Test Cases, which helped the team to improve the test coverage and hence efficiency of the whole development process.

Here are some detailed comments on Miroslav's performance:

WORK PRODUCT - The quality and quantity of work produced by the employee.

- Does not require constant supervision.
- Error rate is acceptable.
- Managers and co-workers have commented on high levels of work productivity.
- Takes pride in work and strives to improve work performance.
- Quantity of work produced is outstanding.

DEPENDABILITY - Being where he should be doing what he is supposed to do.

- Has a good attendance record.

COOPERATIVENESS - Working with people.

- Maintains good working relationships with coworkers.
- Direct, straightforward, honest and polite.
- Enthusiastic, energetic and displays positive behavior.

ADAPTABILITY - Adjusting to change.

- Looks for ways to improve efficiency.
- Sets priorities and adjusts them as needed.
- Adapted to new systems and processes well and seeks out training to enhance knowledge, skills and abilities.
- Always seems to know when to ask questions and when to seek guidance.

COMMUNICATION - Giving and receiving information.

- Coworkers feel comfortable coming to this employee with questions and comments.
- Always asks questions and seeks guidance when not sure of what to do.

DAILY DECISION MAKING/ PROBLEM SOLVING - Thinking on the job.

- Often offers workable solutions to problems.
- Uses good judgment in solving problems.
- Displays initiative and enthusiasm during everyday work.
- Seeks counsel of experts to gather information needed in making actual decisions.
